## ACT Words 9-3 to 9-7

One day, Brenda was walking down the street. She saw her classmate, Yelmi, who said 'sup. Brenda didn't respond to Yelmi, instead she acted Adjective hardly paying attention to him at all. Yelmi tried to Verb her into having a conversation, but he quickly realized that Brenda was just sad because she was Verb - Present Tense her dog, who had died. Brenda felt like her life had turned into a Noun because her dog died and nothing was going right at school or on the soccer team. Yelmi told her not to worry though, he said "I'm a Noun of music, so I will cheer you up with a good song. Brenda sighed, maybe this isn't such a Noun after all, I guess everything will be ok.
