# DOGS!!!!

had an absurd dog. Her mom would not put up with it anymore. She took the dog out to a yard, but she forgot to take the tags off. Somebody found the dog and took it back to Brooke. The next time her mom took the tags off of the dog and dropped it off back in the same spot. The same person found the dog and dropped it back off to Brooke and said to be more careful. The mom was frustrated. She dropped the dog back into the spot again. The same exzact person found it and dropped it off to \_\_\_\_\_ First name \_\_\_\_\_ secretly. Her mom found out and dropped it off at the person's cousin's house and he had \_\_\_\_\_ Past tense verb \_\_\_\_\_ her all about it. She didn't return the dog and \_\_\_\_\_ First name \_\_\_\_\_ got an even MORE absurd dog. Her mom lost it and... she walked out the door, left and nobody ever saw her again.
