First BFF

I was new to this school, And a girl named First name was a very Adjective girl. I wanted to ask her what she liked to do at home. And she said to Verb. I got to know her a little and she invited me over the next week. We played Barbies, and Toy. But i think those stuff are for 5 year olds, not Number between 1 and 15 year olds. So we were friends for a very long time.
