## "A Day in the Life of Casi", by Matt Hackman

Good morning! I have just out of bed, my alarm has been snoozed A Number
times already, so I better get up. Lucky for me, all I need to do is a bit and make some
sighing noises and Matt will hit the snooze button as the alarm is on his side of the bed. He really enjoys when
the Noun wakes him up many times. After getting ready, I will be off to another Adjective day
of work. Today, I will see how many know what meds they are taking or if they are just
crazy. When I come home from work, Matt and I will debate what to eat for dinner. Matt is a master
Noun on the Noun, but I rarely admit it. Once finished Verb - Present ends in ING, my idea
evening would involve making sure that all my digital patrons at my fake bakery are Then I
would like to go for a evening stroll around the while discussing the exciting
happenings of the day. Lastly, I would like to put on relaxing and sip on some
and burrow up next to my A Nick Name for Matt while watching one of my favorite
television shows or a movie.
