A Surprise for Terri, Cathy, and Jessica

There once was a Adjective family. They were Adjective, Adjective, and occasionally Adjective. The family had so much love to give that they spread out to find more Noun - Plural.

Lance met a Adjective Noun named Jennifer, and Terri met a Adjective Noun

named Cathy. Both ladies were Verb - Past Tense into the family with open Noun. After

period of time together this family still felt there was more love to share. So each house hold adopted

animal and one animal. Yet, they felt there was still more love to share. So the

Adjective Lance and the Adjective Jennifer decided to bring one more member into the family.

And we can't wait to introduce the new member to you in May, 2013.
