Secret

Dear _____Boy or girl in your class_____,

I _____Verb - Base Form_____ about you all day long. The first time I saw you, I was like _____Interjection_____! My heart started beating _____Adverb_____. You have such _____Adjective_____, _____Adjective_____ hair. I can't stop staring at your _____Noun-Facial Organ_____. I imagine us _____Verb - Present ends in ING_____ together _____Preposition_____ the sun on the _____Plural Noun_____. I imagine us having long conversations about _____Adjective_____ _____Plural Noun_____. You could be the best cafeteria companion I could ever think of. We can post things on each other's Facebook pages. We can talk about _____Proper Noun_____ all day long. I notice we have a lot in common. We both like _____Verb - Present ends in ING_____, _____Verb - Present ends in ING_____, and _____Verb - Present ends in ING_____. Don't get creeped out when I tell you this, but I _____Verb - Base Form_____ and _____Verb - Base Form_____ you every day after school. I think we would be _____Adjective_____ together. You would have hopefully found this letter in _____Possessive_____ _____Noun_____ _____Noun_____. _____Pronoun_____ doesn't know it was there. I hope you find this letter by the _____Number_____ day of school. When you find this letter rip and _____Verb - Base Form_____ it away, _____Conjunction_____ I'll probably be over you by then. So don't get your hopes up.

Sincerely,

_____Your Name_____
