# My First Best Friend

My first best friend is           Adjective       Ann -

she is the apple of my eye.

My second best is           Adjective       Sam -

he always shares his pie.

My third best friend is           Adjective       Max -

we sit together at lunch.

My fourth best friend is           Adjective       Nell -

she makes me feel one of the bunch.

My fifth best friend is           Adjective       Ted -

he showed me how to play soccer.

My sixth best friend is           Adjective       Gail -

she's helps me unjam my locker.

My seventh best in           Adjective       Moe -

he helps me when tests get tough.

That's all the friends I've got right now -

But you can never have enough!.
