Juicing

Well, think again. Juice -- freshly-squeezed from an arcane assortment of veggies as well as fruit,

Coordinating conjunction in more combinations than you can imagine, has become a unique selling point at several hotels this year. These are Noun - Plural that believe juice is not just for Noun, but at the center of wellness or detox programs they say jaded travelers are crying out for.

"Business as well as Verb - Non 3rd Person Singular Present guests are buying big into our juice offerings," says Mina Gough, spa director of The Standard, Miami, which has done so well with a new juice and wellness program, other hotels in the group are preparing to follow suit.

"There's been a real buzz in the group about how so many different categories of guests have embraced the chance to detox with fresh juice," she says.
