# The Fight

One day I was at a friends house to work on a \_\_\_\_\_ Noun for Science. We needed to make a project testing  
\_\_\_\_\_ Noun and we could not figure any thing out. "Well, what if we made a \_\_\_\_\_ Noun drop thingy  
micbobber," I said. "Well, how would that \_\_\_\_\_ Noun? Would we have enough \_\_\_\_\_ Noun - Plural?" my  
\_\_\_\_\_ Noun said. I thought about it for a moment and started stating my \_\_\_\_\_ Noun and we got in a big  
\_\_\_\_\_ Noun. I said "FORGET IT! You don't have to work with me and my \_\_\_\_\_ Adjective idea! I am  
leaving!" She got all what ever go ahead! I left and did my progect on my own because I didn't want to  
\_\_\_\_\_ Verb with that.
