Jackknife goes to the zoo

Jackknife pulls a keg out from behind a _____ Noun in a wooded area. He grabs the tap and pours _____ Drink into his mouth. He burps loudly and looks down to see a baby bear at his feet. The cuteness of the cub causes him to _____ Verb - Base Form. Suddenly a mother bear appears behind Jackknife and growls _____ Adverb. The _____ Adjective bear stands on it's hind legs. Without hesitation, the bear hits Jackknife with its _____ Body Part, hurdling him through the air. Bruised and bloodied Jackknife throws a _____ Noun at the bear and runs into an authorized personnel only security area. He blindly runs over zoo surveillance controls, knocking over _____ Drink and electrocuting nearby security guards. The fried remains of a guard fall on a button, releasing all the animals from their cages. On security screens we see _____ Animals and _____ Animals trampling guests. _____ Animals quickly eat their corpses. The mother bear returns and looms over a little girl. Just as the bear is about to eat the girl, Jailbot bursts out from inside the Bear, spewing blood everywhere. To repair the damage, Jailbot grabs a nearby bunch of _____ Noun - Plural and hands them to the girl. Jailbot flies over to Jackknife where he is fighting _____ Animals in their cage. Jailbot grabs Jackknives by the _____ Body Part and flies him off to Superjail. As they leave we see a giant _____ Noun where the zoo used to be.
