10	Noun

When Mary sang, she transformed into a(n) Her voice trom her lungs.
The moment John saw her, he was stunned. His heart started
lungs pressed against the weight of $a(n)$ whenever he thought of her.
Unfortunately, John was a mathematician, so he had no idea how to win over the girl of his dreams. However, h
did know how to juggle. He tried to juggle when Mary was around so he could capture the of
her mind, but Mary was always distracted.
"I'm tired of this!" screamed John. "She looks at me and she sees a I have to be great at writing
instead." So John spent hours and hours writing. However, when he tried writing for Mary, she simply ignored
him.
John's heart was It took him months, but he eventually decided he would move on. Then,
years later, while he was relaxing in a park, Mary saw him and stopped very suddenly. Seeing him had made he
lungs and her mind turn into "Weren't you that man who would always
juggle and who was so great at writing?" she asked.
John smiled because he knew that she had finally seen him. And in that moment, John learned that love truly is
