But that's not the point. The point is I am _____Noun_____ _____Verb - Past Participle_____.

Well, actually I am not.

But that's not the point. What is the point?

"The point is everyone should have my _____Coordinating conjunction_____ and timetable! screamed _____Noun_____ who I subsequently _____Verb - Past Tense_____ across the _____Noun_____ and decapitated before sending him home in a _____Noun_____ _____Noun_____.

Before I introduce myself, let me share with you a story. A story about me, and how great I am. But first, I think it would be _____Adjective_____ to introduce myself. I am going to do this soon. So, it all started, in a _____Adjective_____ _____Noun_____, north of _____Proper Noun_____, south of _____Proper Noun_____ and east of where you

are sitting right now. It was a dark night, with no _____Noun - Plural_____ nor _____Noun - Plural_____, and it was raining

a silent rain. There were too many stars to count, and not enough clouds to cover them. I like chickens. But

anyway, what was I doing in this _____Adjective_____ _____Noun_____?

"I was _____Preposition or subordinating conjunction_____ at the boxes of _____Noun_____ food with you, remember!?" said

_____Noun_____ grandma, but she was wrong. What was I doing? That's right, I was writing this story. Now back

to the story.

I needed to find something, so looked for it, and the most amazing thing happened!

I FOUND IT!!!

Guess what it was??? it was a piece of _____Adjective_____ _____Noun_____, which I dropped last _____Proper Noun_____

. I thought the _____Noun_____ _____Verb - Past Tense_____ it, but I guess it didnt. There were many things over there

where I always looked for things, but I didn't like them, so I don't know why I was always looking for them. But

But I don't like things that like me. They _____Verb - Base Form_____ _____Adjective_____. So I made _____Pronoun_____

_____Adjective_____ with this, and laughed itself to sleep. But then in the plane, he needed to go pee, so I

_____Verb - Past Tense_____ myself to sleep as he pissed himself to wake. He was definitely awake when the plane

started to fall. He was definitely going to fall with the plane, and he was definitely going to get lost again. And

lost he did get. Lost in the eternal sea of human sadness, lyrically _____Adjective_____ without the _____Adjective_____

countenance to outweigh it's inherent irony. And that was where he found himself, lost in an _____Adjective_____

_____Noun_____

... That was where he found himself.

He was taken to new levels of excitement, when he found himself. Oh what a day.... Oh ...what a day. But this was to be expected, because he was not just random. He was ranDom with a capital _____Noun_____. But anyway, who cares about the bacon, this story is about me.

Me and my eternal instructions of _____Preposition or subordinating conjunction_____ from underneath. Me and my inherent _____Noun_____ of the ways of the universe.

Me and my _____Feeling_____.

Me and my _____Feeling_____.

Me, and my _____Noun_____.
