Road Trip

My friends Verb - Past Tense up at my Noun and decided we were going on a road trip. I packed quickly grabbed some things and threw them into my Noun. As I was Verb - Present ends in ING downstairs I could hear my friends yelling Adverb Verb - Base Form. I got in the car and we started driving. After a few hours on the road I heard a Adjective Noun and then realized the tire was Verb - Past Tense. A nice police officer stopped and gave us a Noun and we were back on the road. After a Adjective six hour Verb - Base Form we finally got to Los Angeles where we quickly got to some shopping. After leaving the mall we went for a cruise in Beverly Hills. After driving through the streets and not Verb - Present ends in ING into any Verb - Past Tense we decided to go home. The girls and I had the Adjective Noun ever!
