"Okay" Olivia told her as she hit the Noun button a few times.

"I think that she was right about the Noun - Plural costing too much... I mean \$36 for Adjective tickets for kids and one adult?"

"Didn't you see her purse? She was probably Verb - Present ends in ING all kinds of goodies in there for those rugrats, so its fair. Everybody brings big purses so that they don't have to buy stuff from the candy counter."

"Oh that makes sense. That explains why it took so long to get the money for the tickets." I replied.
