My one and only crush

My name is Name and last name of a girl I have a HUUUUGE crush on Name and last of a boy . But I think he likes Name and last name of a girl . He laughs with her, talk so much to her, And now i think he likes her. So the school dance was coming in a week. And i was sure he would ask the girl he likes. But instead, he came and asked me! I was sooo Mood . He took me in a red bike. It was so romantic. But the other girl got jeaoules. She stomped off and cried once she found out. we were laughing. Then, right in the middle of the macarina he took me into a secrect spot, hand held my Body part and reached his Body part toward me, I played along. He kissed me! I was so Mood

The End.
