But then the disco hippo showed up.
It used its powers of disco and started dancing around. Invigorated by the dance, the rainbow ninjas
distract the dinosaur, while another ninja threw a rainbow at it. The combination of stuff finally made the
dinosaur fall a glass case and die.
Afterwards, the ninjas thanked the hippo for its magical dancing. They then proceeded to have a tea party. Their
tea party was so awesome that the world blew up and everyone died. The end.
