MY DAY WITH THE INSANE ROBOT

One humid afternoon a young Noun named Proper Noun was walking down the halls of a human tradion called Proper Noun . But he relized his pet Proper Noun , (a dog/robot), was wearing a Noun top runing around the school!

"I MADE IT MYSELF!" the insane robot yelled.

" Proper Noun !!! GO HOME AND WATCH TV OR INTERTAIN YOUR SELF or somthing...!!!"

 Proper Noun screamed at the little Noun .

 Proper Noun FINALLY went home and started watching his favorite show, The Angry Monkey Show.

 Proper Noun went home to see the crazy robot DESTROYED HIS BASE WITH WAFFLES!

 Proper Noun was sitting on what used to be a couch. So after Proper Noun got the house cleaned up , he looked and saw the insane robot WAS MAKING MORE!!!

"What am I going to do with you?" Proper Noun said as nicely as possible to Proper Noun .

"YOU COULD MAKE ME A MONGOOSE!!!" Proper Noun screamed happily.

"No Proper Noun ... just no," Proper Noun explained
