# The Crabby Nurse

One day nurse \_\_\_\_\_  
Proper Noun was in a very \_\_\_\_\_  
Adverb mood. Her reason was because apparently a Dr.

\_\_\_\_\_  
Verb - Past Tense at her for not following the order the Dr. wrote. It's a small \_\_\_\_\_  
Noun so everyone

pretty much knew everyone. She treated the nurse assistant poorly and was very snappy at her other co-workers.

She went home and \_\_\_\_\_  
Verb - Past Tense at her kids and her \_\_\_\_\_  
Noun. She was very short tempered. This

happens frequently. She is not able to deal with stress properly. It seem like she always have \_\_\_\_\_  
Adjective

skies over her head. No one wants to be around her. One day she decided to see a counselor. It helped. She didn't

let little things get to her. Everyone saw a huge difference, especially her \_\_\_\_\_  
Proper Noun - Plural.
