A discovery in Ponyville part 1

One day Pony one was going out to meet Pony two by a lake. As Pony one passed ponies everypony seemed a bit Adjective, no more confused. Then Pony one saw Pony two so she went to see what was wrong.

Pony one: Hey Pony two! What's wrong?

Pony two: well um, it's just. I'm not quite sure how to explain it but, uh well you see. I was taking a walk through a forest to help find Pony three lost toy when I saw something.

Pony one: What did you see?

Pony two: It was weird looking, almost like I monkey. When I went up to see it, it gasped and ran straight up to me.

Pony one: Are you okay, are you hurt?

Pony two: I'm fine, but then it spoke.

Pony one: What did it say?

Pony two: Bro Hoof

Pony one was very confused, she had heard ponies say hoof and only Pony four has said the word bro before.

Pony two: I warned ponies about this creature and Pony five said that she'd go check it out.

Pony one: And?

Pony two: When Pony five returned she said that the creature knew everything about everypony.

She

said it was a boy and that his favorite pony was Pony six and that he loved BigMac a lot and that

Less popular pony should get more screen time!

Pony one: What do we do?

Pony two: I don't know...
