# A Walrus's Dinner

One day \_\_\_\_\_ down the beach of \_\_\_\_\_. A family of walrus's came on to shore in search of a new meal, but none of them could decide what they wanted to eat. The father wanted \_\_\_\_\_, the two sons were \_\_\_\_\_ some in n out, and the mother was on a \_\_\_\_\_ and wanted a cesar salad. All four family \_\_\_\_\_ argued as i \_\_\_\_\_ them from a \_\_\_\_\_. I decided to walk over and join in the argument to help them solve their solution on what to eat for dinner. Knowing all three sounded like a good idea i had to think of something \_\_\_\_\_ for them to fill up their tummies. I suggested a couple options one of them was mexican food, but the father said he would get a heart burn. So after my suggestions I said how about Red Lobster the sons said we eat that everyday. We would like something new in our \_\_\_\_\_. As i was \_\_\_\_\_ so frustrated the mother says out loud how about some fresh choice they give you differnet options on what you would like to eat. The \_\_\_\_\_ and two sons said yeah that sounds like a \_\_\_\_\_ idea mom it's some new that we haven't tryed yet. So the family was \_\_\_\_\_ and walked to fresh choice ending with big fat bellys nice n full.
