The best fanfiction ever.

"What do you think of Noun - Plural Noun - Plural Two?"
"Still following me, huh?"
He, unreadable eyes fixed on the theater building.
She replied to his question: "They're alright, I guess. I'm not really a fan of them. It just depends on if you like that sort of thing."
"I see" He closed his eyes and frowned, an expression all too familiar to
"I know what you're going to say."
"Then how can you just sit by and let those Animal (plural) - "
" Don't start this again." She said flatly, and returned her gaze to the structure, watching the
different people and walk into and out of the most popular building in Nimbasa. "has it
