Diary of a B. Ed. Student

Life as an Education student is a lot of Noun. It is also a lot of Noun, especially in the Early years. We get to Verb, make up Noun - Plural, write Noun - Plural and Noun - Plural, and learn about Noun - Plural.

There is not a lot of time for Verb - Present Tense or Adverb, however. I have to pack my Noun everyday or I will not get a chance to Verb because there is such a line up for the Noun. I even have to wait in line to Verb!

I am really Verb to start student teaching. I will have to get up in front of a class and actually Verb them to do Noun! It will be Adjective to see if it actually works or if the class will go into Noun!

I am sure by the end of next year I will not have as many Adverb....or maybe I will have more. Until then, here I stand, in Noun again.
