Brain nerds!

Once upon a _____Noun_____ there was a poor _____Adjective_____ man stuck in _____Noun_____ class. He _____Verb - Past Tense_____ trying to figure out how he was going to pass the brain test. He sucks at memorization. So he started out by _____Verb - Present Tense_____ the _____Noun - Plural_____ with _____Noun - Plural_____ that go along with the names of them. So for example the frontal lobe he colored fusia so he associates _____Noun_____ with frontal lobe on the test. Now he saw _____Noun_____ area.... And thought oh goodness I don't even know what this is! So what better thing to use but _____Verb_____ to find _____Noun - Plural_____. He found out that it is the ability to _____Verb_____ speech. So He associated broca with broken speech. To memorize the lobes, he uses the phrase _____Noun_____ passed out too! Franny=frontal lobe, passed= parietal lobe, occipital lobe, and temporal= too! He is feeling a lot more _____Adjective_____ for his exam, after coming up with these _____Noun - Plural_____.
