The Fallen Doll...

I had a Noun her name was Proper Noun,

I Pronoun her very much.

But one day I lost her.

I was Verb - Past Tense but I moved on.

We moved two years later,

And time before that I had never found Verb - Past Tense.

But then when we moved I did Preposition or subordinating conjunction her,

She was covered in Verb - Non 3rd Person Singular Present Pronoun Adverb Adverb.

But I Pronoun need her anymore so I through,

her away. As we got in the Verb - Present Tense Noun I waved bye to

our Noun Coordinating conjunction and to Pronoun.

It had been Preposition or subordinating conjunction days since we moved, and things keep going wrong.

I looked out my window and saw my favorite Preposition or subordinating conjunction Determiner

lying on the ground.

I ran outside to go pick it up but the wind picked it up

and sent it in to the Pronoun across the yard.

I followed it and followed it till I was too Noun Verb - Past Tense.

I didn't know where my shirt went till I Preposition or subordinating conjunction around.

I

saw Determiner holding my shirt in one hand and in the other a needle from my mother's Verb -
Past Tense kit.

She was so creepy looking and she was covered in Verb - Present Tense.

She was looking at me her dark Pronoun eyes staring into my Verb.

She started to walk Adverb me saying something I couldn't Preposition or subordinating conjunction.

Then she said "you too old Determiner?" "you too old for Verb - Past Tense?" "Too
Coordinating conjunction for Adverb?" , "well that's all going to Noun."

She stopped talking and went down to her Preposition or subordinating conjunction.

She was saying something else I couldn't Proper Noun.

The suddenly I had turned in to a doll that looked like Shelly.

And Shelly turned into human.

I was made of Coordinating conjunction and Noun yarn, had Noun Preposition or
subordinating conjunction for hair and black and Noun fabric clothes sowed on to me.

While Shelly looked like a Preposition or subordinating conjunction dressed in Verb - Past Tense.

She said time to Determiner and took the Pronoun and stabbed me in the heart.

And I had to to the ground still looking like a doll dressed in black and red but then nothing my was
gone.

As was I.
