3. Noun
4. Adjective

# testing

We know of dogs who will do anything for a juicy piece of steak. Some with slightly healthier habits will even eat           Noun - Plural          . But           Noun          ? That apparently is what this Lemon           Noun           loves to           Adjective          .

Maymo enjoys the leafy vegetable so much, that he tries to steal it whenever he sees one. This time, his owner decided to secretly film the lengths this dog goes through to get to a head of cabbage - The result as you will see, is hilarious!
