# How To Have A Relaxing Morning- by Rhonda Kokopele

Upon awakening with your _____Noun_____ pounding, cautiously veer around the room for two _____Noun - Plural_____. First, the _____Noun_____, this must be set to _____Verb_____ at all costs! Secondly, eagerly look for signs of a sexy _____Adjective_____ _____Noun_____. Make sure if there is one, that you shake them violently enough to wake them from their _____Proper Noun_____ comma and make sure they are _____Adjective_____ enough to hear the words, "Get out I have to go to _____a place_____!" Next fumble for the near _____Noun_____ , open it and reach for _____Noun - Plural_____, Christ any _____same plural noun_____, and bring them close enough so they're visible in the little bit of _____Noun_____ that seeps in through the blackout curtains. Then carefully read the _____Noun_____, but not so carefully that you miss whatever _____Adjective_____ _____Noun_____ is getting up and leaving your room. After inspecting the round plastic _____singular verion of same pl nouns_____ in your hands to make sure you aren't taking nighty-nights instead of good day sunshine, either put them back and find the right ones, or take the contents and proceed to the next bottle. This one should be your _____Adjective_____ dose _____Noun_____ killer. Once all your _____Adjective_____ _____Noun_____ has been found, check on top of the _____Noun_____ for some kind of _____Noun_____ in a glass, which I normally remember to leave for myself at night, but then again I rarely have a normal night. If there is _____same noun_____ in the glass, it is going to be a _____Adjective_____ day, if not things become _____Adjective_____. If there is nothing in the glass, you must improvise. Angrily yell to the _____Adjective_____ cleaning girl, she is usually there by now, and for god's sake don't let the snooze alarm sound! If she doesn't answer, call her and _____Adverb_____ yell at her repeatedly despite the fact that she tells you she normally takes her _____Adjective - Superlative_____ _____family member_____ to _____a place_____ on Monday, Wednesday and

Friday, if it does happen to be one of those days. Last ditch, get up, and make a b-line for the _____room in house_____, _____Noun_____ in hand, at slow enough pace to not crack your _____Noun - Plural_____ on a door jam or piece of _____Noun_____, but fast enough to not be upright for too long, that hurts worse. Once you have filled the _____Noun_____, and downed your daily dose like a hungry _____type on animal_____, head to the _____Noun_____ and run some _____type of liquid_____. Now you can call the cleaning girl again and _____Adverb_____ find out when she'll be at your house. She usually cooks for you if you complain enough. Once all of these things are done, you can go back to _____Noun_____, and _____Adverb_____ wait for one of four things. The cleaning girl to call back, a _____type of proffession_____ to call and yell at you for missing _____Noun_____, the _____Noun_____ to spill over again, or the pills to kick in. I'll take number 4! Follow this with a half a bar of _____type of drug_____ and that's what I call a relaxing morning!
