Justin Bieber-As long as you love me

We're under Auto,

Seven Auto people in the Auto trying to fit in

Keep it together,

Smile Auto your face even Auto your heart is frowning

But hey now, Auto know, girl,

We both know it's a Auto world

But I will take my chances

As long as you love me

We could be starving, we could be homeless, we could be broke

As long as you love me

I'll be your platinum, I'll be your silver, I'll be your gold

As long as you love, love, love, love me (love me)

As long as you love, love, love, love me (love me)

I'll be your soldier,

Fighting every second of the day for your dreams, girl

I'll be your Hova

You

can be my Destiny's Child on the scene girl

So don't stress, don't cry, we don't need no wings to fly

Just take my hand

As long as you love me

We could be starving, we could be homeless, we could be broke

As long as you love me

I'll be your platinum, I'll be your silver, I'll be your gold

As long as you love, love, love, love me (love me)

As long as you love, love, love, love me (love me)

[Big Sean]

Yo, B-I-G

I don't know if this makes sense, but you're my hallelujah

Give me a time and place, and I'll rendezvous, and I'll fly you to it,

I'll beat you there

Girl you know I got you

Us, trust...

A couple of things I can't spell without 'U'

Now

we are on top of the world, 'cause that's just how we do

Used to tell me, "Sky's the limit", now the sky's our point of view (view)

Man now we stepping out like, "Whoa" (Oh God)

Cameras point and shoot (shoot)

Ask me what's my best side, I stand back and point at you

You, you the one that I argue with, I feel like I need a new girl to be bothered with,

But the grass ain't always greener on the other side,

It's green where you water it

So I know we got issues baby true, true, true,

But I'd rather work on this with you

Than to go ahead and start with someone new

As long as you love me

As long as you love me (Love me yeah yeah yeah)

We could be starving, we could be homeless, we could be broke

As long as you love me

I'll be your platinum, I'll be your silver, I'll be your gold

As long as you love, love, love, love me

As long as you love, love, love, love me

As

long as you love, love, love, love me (I'll be your silver, I'll be your gold)

As long as you love, love, love, love me

As long as you love, love, love, love me

As long as you love me
