## How to study

<u>Adjective</u> teachers always give out <u>Adjective</u> assignments. But, as everyone knows, if you want to pass all your classes so you can go to a/an <u>Noun</u> and become president of a big international <u>Noun</u> and have millions of <u>Noun - Plural</u> in the bank, you must do your homework and study <u>Adverb</u>. If you just sit around and <u>Verb</u>, you won't get ahead in life. You must learn to pay attention to every <u>Adjective</u> thing your teacher says. Do not interrupt or whisper to other <u>Noun</u>.

Plural during class. Be sure to have a nice <u>Adjective</u> notebook in which you can write down anything the teacher says that seems <u>Adjective</u>. Then go home and memorize all of these <u>Adjective</u> notes.

And when your teacher gives a surprise quiz, you will know all of the <u>Noun - Plural</u> and will get a/an <u>Letter</u> as a grade for the class.
