## H3 Jarring Tribute

During the \_\_\_\_\_ month of the year, October, the Hilton Head Health team decided it would be a \_\_\_\_\_ idea to go back to the "good" ole-days and practice the produce-to-jar process. Most of the employees \_\_\_\_\_ the seasonal fall fruits like apples and pears so those were the obvious winners to be heated, mashed then \_\_\_\_\_. Little did the employees know that they would most likely get a little pear on their shoes, cinnamon on their clothes and a comic relief when Kelly spilled fruit butter all over the CAC. Once the jarring was completed, everyone got to take home their \_\_\_\_\_ apple and pear spiced butter/jam and \_\_\_\_\_ it with their friends and family. All of those who came to the jarring class decided to \_\_\_\_\_ in a home canning set and become the next Julia Child meets Alton Brown in their homes--who knew such an experience would create \_\_\_\_\_ inspiration.
