Brian Winter Mr .Farnsworth

Brian keeps getting Adjective - Comparative every week, Even though the weather is getting harsher than the summer. But the weather has brought good things like the deer carcass and Betty. With the deer pelt Brian made moccasins to keep his feet warm. He had to skin the deer and the Noun. The moose he shot by mistake because he thought it was a bull moose but when it came at him he noticed it was a cow so Brian Adverb didn't mean to Verb the moose. Brian estimated the moose to be Adverb 700 pounds. That could last Brian four months! Brian might be at that lake that long or longer. Coordinating conjunction Brian thought he Verb - Past Tense a gun shot across the lake but I was just the frozen wood snapping from the cold. Brian is very smart he made moccasins a coat Coordinating conjunction mitten to keep him warm when he's hunting.
