# Adventures of Andy and Phil

Once upon a time, there was an awesome           Noun           named Jonathan. But this story isn't about him. It's about his           Adverb                     Adjective                     Noun - Plural          , Andy and Phil. Andy and Phil (not to be confused with           Chicago Theatre Company           Andrew White and Philip Smith) were actually a pair of           Noun - Plural           who           Verb - Past Tense           the land,           Verb - Present Tense           for circus           Noun - Plural          , lobby           Noun - Plural          ,           Noun - Plural           for actors, and           Noun          .
