# Hawk's Hill- Dane

_____Noun_____ is always a sad thing. Especially when they are very close to you. It doesn't even have to be person to be for it to be hard to bear it. _____Noun_____ can be a good thing too, but of course today it was _____Adjective_____. You could say _____Proper Noun_____ _____Proper Noun_____ is the force of bad, but it's death that could have killed the badger. Ben was going to bury but, _____Adverb_____, though, the badger was not dead at first, but after examining the wound it was likely the badger would die. The badger was Ben's guardian, best friend, and, well, all he had for the _____Number_____ days. Ben and the badger were great _____Noun - Plural_____ and protagonists, but _____Noun_____ still over took them. The badger was like his parents. It's almost like saying good-bye to McDonalds in the modern day world. It gave you food, the waiters and waitresses take care of you, and for kids gives you entertainment. Ben feels lonely now, but at least he has his family. You never know though, the badger still might be _____Adjective_____.
