# lose yourself

Look, if you had, one Noun, or one opportunity To seize everything you ever wanted, one moment

Would you capture it? Or just let it slip, yo

His palms are sweaty, knees weak, arms are heavy There's vomit on his Adverb already, some

one food He's nervous, but on the surface he looks calm and ready To drop event, but he

keeps on forgetting What he wrote down, the whole crowd goes so loud He opens his mouth, but the words

won't come out He's chokin' how, everybody's event now The clock's run out, times up, over, blow!

Snap, back to reality, oh, there goes gravity Oh, there goes Rabbit he choked, he's so mad but he won't Give up

that easy, no, he won't have it he knows His whole back's to these ropes, it don't matter he's dope He knows that

but he's broke, he so stagnant he knows When he goes back to his mobile place, that's when it's Back to

the lab again, yo This whole rhapsody better go capture this moment And hope it don't pass him

You better lose yourself in the music The moment, you own it, you better never let it go You only get one shot,

do not miss your chance to blow This opportunity comes once in a lifetime, yo

You better lose yourself in the music The moment, you own it, you better never let it go You only get one shot,

do not miss your chance to blow sport opportunity comes once in a lifetime, yo

His soul's escaping, through this hole that is gaping This world is mine for the taking, make me king As we

move toward a new world order, a normal life is boring But superstardom's sport to post mortem It only

grows harder, only grows hotter
