Somebody invested in roads and bridges. If you got a school name... that... you didn't build that.

Didn't build number.

You didn't build that.

(oh-oh oh oh oh-oh-oh)

(oh-oh oh oh oh-oh-oh)

Didn't build that. What have we got here? It's an air cannon for shooting Animal. You didn't build that.

oh-oh Mitt Romney strikes me, so hard. Makes me feel like Shirley Sherrod. Out of context, those words aren't

mine. The private sector's doing fine. Feels good, when the economy's weak, responding with a national security

leak. oh-oh a dush bag Bin Laden rapper I killed. And that was a school you didn't build.

(oh-oh oh oh oh-oh-oh)

(oh-oh oh oh oh-oh-oh)

(oh-oh oh oh oh-oh-oh)

oh-oh

You didn't build that.

If you've given three dollars before, I'm asking again for a few dollars more. Clint Eastwood and the empty chair would be better than this Republican pair.

EASTWOOD: Shut up, it's my turn.

OBAMA: Let's rap together.

EASTWOOD: Go ahead.

OBAMA: You've got a lot to school.

EASTWOOD: Mr Ryan...

OBAMA: ...and his voucher retailin'

EASTWOOD: Maybe he's just....

OBAMA:

...a brighter shade of Palin.

EASTWOOD: Mr Romney...

OBAMA: ...and his friends on Wall Street.

EASTWOOD: What I'm saying is...

OBAMA: ...they're SuperPacking Heat. And here is a woman...

EASTWOOD: ...Mitt

OBAMA: ...killed. But, that was an attack ad...

EASTWOOD: ... you didn't...

OBAMA: ...build.

(oh-oh oh oh oh-oh-oh)

Didn't build that.

(oh-oh oh oh oh-oh-oh)

Didn't build that.

(oh-oh oh oh oh-oh-oh)
