Interrupted pt2

KATE'S POV:

I slowly pushed the Dildo in my ass. I gritted my teeth as I felt the plastic tube enter me. I panted as my ass slowly consumed the tube.

"O-okay... Its in. What now?"; I said.

I remembered now. I was supposed to push it in and push it out. That way, it'll get wet.

I took it almost out, and stuck it back in. It started going faster as I fucked myself.

"Oh... yes..."; I moaned.

I went _____ and _____. It scaped my anal walls and massaged it. I hit my female prostate. I gasped in pleasure. It _____ the tube around.

END OF PT2.
