# the end of the world

One day, everybody \_\_\_\_\_ Verb - Past Tense talking about it. It had even been printed in the newspapers. A great and learned sadhu had prophesized a conflagration, a natural disaster of such proportions that more than half of the \_\_\_\_\_ Location population would be killed. \_\_\_\_\_ First Name of a Person was on his way to work at the construction when site he stopped briefly to listen to a man propounding the benefits of a herb against impotence . Then he noticed, out of the corner of his eye, long lines of goats converging onto the green. "What's going on?" he asked. And the people told him: "Everybody's buying meat so they can have \_\_\_\_\_ Number last good \_\_\_\_\_ Verb - Present ends in S before they die."

So that day on they all ate meat and apparently none of the people died so the people lived happy for the rest of there life.
