## Hot Shots Intro - 2

Hi Everyone,

I am so feeling to be a part of this years dance team. I hate to say it, but the your dance team team is the best. My Your name is Gini and I have been dancing for Number years. I don't always Verb, but when I do, I dance Dance Style.

When I am not at the Location, I like to Verb - Base Form and Verb - Base Form. My school

Noun - Plural say I am Adjective & Adjective.

I am Verb to be competing in dance. I have heard so many great Noun - Plural about dance competitions. I can't wait to Verb - Base Form our new costumes and to try to get my hair into a Noun.

It is going to be a Adjective year. Go Hot Shots!.
