Fun at the Library

Last [_____day of the week_____] I went to the library to pick up a book on [_____Animal_____] pornography. I was in a hurry because I didn't want to miss my all time favorite show [_____tv show_____] , I heard that would be the episode where [_____fictional character_____] finally kisses [_____fictional character_____] and [_____celebrity_____] would be guest starring.

So I manage to find [_____Number_____] books on the subject, then I moved one book from the [_____book genre_____]] which was [_____name of a book_____] and suddenly a/ an [_____Adjective_____] white hand appears. I was going to [Verb] but the hand grabbed me and took me to a [_____Adjective_____] world where everything was drawn, including me, and it smelled like [_____food_____].

The hand belonged to a/an [_____Adjective_____] man who was also drawn, he had a long [_____Part of Body_____] and his hair looked [_____Adjective_____]. Suddenly he started singing [_____name of a song_____] and crazy things started happening. He grabbed me by the [_____Part of Body_____] and started running into random [_____Adjective_____] hallways, then there was a [_____vehicle_____] race, and then I stopped paying attention when all of a sudden [_____Number_____] pissed off plumbers started chasing us with [_____object_____] trying to kill and [_____Verb - Base Form_____] us. We ended up in this [_____Adjective_____] white room with a large rectangular thing that I think was a portal back to my world. The man was finishing his [_____Adjective_____] song and I ran towards the portal as fast as I could to get away from that [_____Adjective_____] freak show.

So I'm back at the library, and then I saw my friend [_____ persons name _____] go towards the same shelf where that
freak kidnapped me, and suddenly the man took him/her too. I would've helped but he/she was a/an [_____
_____ Adjective _____] jerk and had it coming. I then went home, but I missed my show by [_____ Number _____]
minutes. And that is why I am never going to [_____ Verb - Base Form _____] [_____ Noun _____] ever again.
