The Gummy Bears!

One day there was a girl named princess gummy bear named <u>Proper Noun</u> and this giant named Humugo. One day Alexa was <u>Verb - Present Tense</u> a walk through Gummy Bear Fields and say this <u>Adjective</u> gummy bear prince. The prince got on his left knee and said will you marry me?Said the prince,Oh oh sure well i would have to think but what made you to ask me?The Prince said you are the most <u>Adjective</u> and <u>Adjective</u> girl i have ever met. Alexa said oh what the heck yes i will marry you.

Yes finally i have a princess for my girlfriend to rub in his face, said the price. What and What you used me to

just rub in your brothers face we are through!!Bye bye Mr. Proper Noun Face.Now Alexa was

_____ Determiner _____ and _____ Noun ____ down the street.

She gazed into Humugo's eyes and said you are very <u>Adverb</u> and have very <u>Verb - Past Tense</u> eyes. Humugo looked at her and said hello <u>Verb - Past Tense</u>. Then Humugo said will you marry me?Yes!Yes! Yes!I will!She said,out of nowhere Alexa said wait a minute are you gonna just use me for having a contest for too someone that you have a wife as a princess?No i would never do that too you!

She said thank you so much i love you so much. Then Humugo said i love you too, wait if we are married Alexa then we have to buy a house? We have too lets go look for one, well i was <u>Noun</u> by a house and i <u>Modal</u> one, but i would get lost because it is a <u>Verb - Past Tense</u> human house. Then Humugo said wait i have one <u>Pronoun</u> that i can use it is anything and how about i wish that you were a <u>Verb</u> and we can both be humans and live happily ever after.
