A Night in Room 131

One Adjective and Adjective Halloween night, Mr. Vinton was grading Noun - Plural. All of a sudden he heard a ruckus coming from the closet. He looked inside and saw Damian Verb - Present Tense fruit loops and Verb - Present ends in ING on the phone with Stephanie. They were planning a Adjective party for Eruvey and his stuffed Animal, Edgar. The Adjective class of room 131 was invited! Mr. Vinton was furious that they had not invited him. He decided to give Guadalupe, Ruben, and Jasmin detention for life. Meanwhile, Joseph and Andrea were bringing in Noun - Plural to decorate the classroom. They were Verb - Present Tense up Noun - Plural when there was a loud scream from the hallway. They went to see what was happening and saw Jorge being Verb - Past Participle by Juana, Canyon, and Maya. They were dressed as creepy Noun - Plural. Mr. Vinton got mad again and told them no running in the halls. Mr. Vinton turned around and saw Luis Verb - Present ends in ING at his desk while Jaqueline was drawing Noun - Plural on his face. Mr. Vinton gave up all control of his classroom to Brando, Anthony, and Araceli, which is a nightmare indeed!
