Bi and Duo Mad Lib

One night I put a mirror on my face for no apparent reason then, I went to bed. The next morning I started seeing	
of myself so I started to run away I started to think to take a to Antarctica so, I	
did but it didn't work. Then I thought maybe if I go to Mexico and thats where I went to. I learned spanish and he	
became but , he still he still saw Then and there I thought of something,	
what if I get in a fight with this of me but, at the end won	
and I lost a Then I rode my to the United States but, the	
black and white paint smeared from the rain and the front tire was flat. Then when I was back in my room I	
realized I put a mirror on my face.
