That night \_\_\_\_\_<sup>First Name of a Person</sup> checked her emails just before \_\_\_\_\_<sup>First Name of a Person</sup> was going to go trick or treating. \_\_\_\_\_<sup>First Name of a Person</sup> saw the invite to the party,it had started 20 minutes ago \_\_\_\_\_<sup>First Name of a Person</sup> didn't know if she should be going or not. \_\_\_\_\_<sup>First Name of a Person</sup> decided she would go since she had never been invited to a Halloween party. \_\_\_\_\_<sup>First Name of a Person</sup> rang the doorbell when \_\_\_\_\_<sup>First Name of a Person</sup> got there and hoped it would be someone nice who answered.It was her BFF!
