Going to school

1. Noun _____

Going to school

"A _____Noun_____ was a shower when her2 year old came into the and wrapped himself in . Although made a mess, he looked , so she for my camera and a few shots. They came out so that she had copies made and one with each of their cards. Days later, a relative called about the picture, laughing , and suggesting that she take a closer look. Puzzled, the stared at the photo and was shocked to discover that in addition to her son, she had captured her in the mirror wearing nothing but a !"
