

Going to school

1. Noun
-

Going to school

"A _____ Noun was a shower when her 2 year old came into the _____ and wrapped himself in _____. Although _____ made a mess, he looked _____, so she _____ for my camera and _____ a few shots. They came out so _____ that she had copies made and _____ one with each of their _____ cards. Days later, a relative called about the picture, laughing _____, and suggesting that she take a closer look. Puzzled, the _____ stared at the photo and was shocked to discover that in addition to her son, she had captured her _____ in the mirror wearing nothing but a _____!"
