# Cronus

Cronus was the ruling Titan who came to power by castrating his Proper Noun Uranus. His Noun was Rhea. Their offspring were the first of the Olympians. To insure his safety Cronus ate each of the children as they were born. This worked until Rhea, Adjective at the loss of her children, tricked Cronus into Verb - Present Tense a rock, instead of Zeus. When he grew up Zeus would revolt against Cronus and the other Titans, defeat them, and banish them to Tartarus in the underworld.

Cronus managed to escape to Italy, where he Proper Noun as Saturn. The period of his rule was said to be a golden age on earth, honored by the Saturnalia feast.
