## Feror

1.	Adverb			

2. Adverb

## Feror

The most dang	gerous predator in the sea begins to hunt for its pr	ey. The shark that can smell blood from miles
away and catel	h up to is prey in few minutes. Once it gets there	it will rip its prey to shreds or swallow them
Adverb	_, i think almost every fish would rather be eate	n <u>Adverb</u> .
