## Alyvia Simonds~Mad Lib

| AAdj                   | ective         | Adjective        | _ zebra was walking ii    | n myAdje        | ective           | Adjective     | forest. It was  |
|------------------------|----------------|------------------|---------------------------|-----------------|------------------|---------------|-----------------|
| cold out so            | the No         | un, Steve        | e, went to find a leprec  | haun. Well, S   | teve found a p   | ot of gold at | the end of a    |
| rainbow, s             | o he knew th   | e leprechaun     | had to be close. As he    | was walking     | through the fa   | ntasy forest  | he came upon    |
| a magical <sub>.</sub> | Noun           | The dwarf        | gave him a map on w       | here to find th | ne leprechaun.   | There were    | three locations |
| spotted on             | the map. Th    | e first was a c  | chocolate shop because    | e everybody k   | nows that the    | gold at the e | nd of the       |
| rainbow is             | just gold wr   | apper that wa    | s covering chocolate.     | Steve traveled  | to this chocol   | ate factory.  | The             |
| leprechaun             | was no-who     | ere in sight. S  | teve looked at the seco   | ond location o  | n the map, it w  | as in         | Joun He         |
| decided to             | take a plane   | . No it's not ra | andom to see a purple     | zebra named S   | Steve on an air  | plane. Whil   | e he was on     |
| his way, he            | e found anot   | her rainbow.     | It was then that he saw   | the leprechau   | ın. Steve found  | d a parachut  | e and jumped    |
| Adverb                 | of the         | plane. He lan    | ded on the rainbow and    | d slid down to  | the leprechau    | ın. Steve squ | ashed the       |
| leprechaun             | . The leprec   | haun screame     | d "AHHHHH" and "JI        | EPPERS" in p    | ain at the sigh  | t of the zebr | a's hind        |
| quarters. A            | as soon as the | e leprechaun     | started to run, Steve wo  | ent after him.  | The leprechau    | n got tired a | nd went to the  |
| side of a tr           | ee. What he    | didn't realize   | was that the tree was a   | a loophole and  | l he fell throug | gh. Steve wa  | s               |
| Adverb                 | runnin         | g after him. T   | They both fell into the l | hole and that's | s how the unice  | orn was crea  | ted. The end.   |
