HESA MadLib

A Adjective thing happened to me on the way in tonight. I was intending on Verb - Past Tense, but got side-tracked when I saw a Adjective man Verb - Present ends in ING Verb - Present ends in ING on a text book in Harvard Square. I wanted to stop and ask him how he did it. Mostly because I am trying to find meaningful ways to reuse my old textbooks. He wouldn't tell me his secret unless I bought him Noun at Creama Cafe. It was too Adjective and Adjective to Verb - Base Form the way Adjective to the Noun store, so I gave him a Harvard Noun instead. Realizing it was time for the HESA General Assembly and that I would Noun there, I left the square and arrived Adjective to Maxwell Dworkin.
