HESA MadLib

A thing happened to me on the way in tonight. I was intending on _	Verb - Past Tense, but
got side-tracked when I saw a Mdiective man Verb - Present ends in ING	Verb - Present ends in ING
on a text book in Harvard Square. I wanted to stop and ask him how he did it. Mostly	y because I am trying to find
meaningful ways to reuse my old textbooks. He wouldn't tell me his secret unless I b	ought him at
Creama Cafe. It was too and and to verb - Base Form	the way
to the store, so I gave him a Harvard Noun	_ instead. Realizing it was
time for the HESA General Assembly and that I would there, I left the	e square and arrived
to Maxwell Dworkin.
