Ohev Board Game

It was a Adjective night when the girls of Ohev BBG went to Location. With their board games in their Part of Body, they went inside. Person one and Person two went to go play Candyland. When they picked a card, the room started spinning and they found themselves inside the game!

Exclamation !

"Where are we?" Person one asked Adverb.

"Is this Different Place?" Person two questioned.

The girls walked around. They saw trees made of Noun and puddles of Nutella on the ground. Suddenly, the girls bumped into Famous Person and the shock caused them to faint! When they woke up, they were back at Location.

They said to each other, "Maybe we should put Candyland away and eat Food instead." Then they spent a(n) Adjective rest of the night with Ohev!
